Story

Legle Asia, renowned for its unwavering ability to provide the perfect finishing touch to every master chef's innovative creation, has become the most sought-after porcelain partner for fine dining establishments worldwide in recent years.

As the manufacturing arm of Legle Hospitality, with its production based in Malaysia, Legle Asia represents the culmination of years of research and the relentless devotion to detail by its craftsmen. Each new collection and every addition are crafted in close collaboration with master chefs from around the globe. Painstaking care ensures that every piece is not only visually stunning but also meticulously functional. It takes a professional chef's discerning eye to appreciate how these vessels have been subtly modified to best showcase their culinary masterpieces.

For diners worldwide, the beauty and elegance of Legle's serving pieces, combined with their distinguished quality, add a delightful dimension to the dining experience.

Fire and Earth

The hands and eyes of skilled crafts people
are at the heart of Legle Asia

A simple dinner plate is the canvas for a chef to manifest his artistic creation. Legle Asia is designed to bring out the best of inspiration in each chef.

Chefs

Legle Asia has worked with a legion of award-winning chefs hailing from top restaurants around the world, a series of cherished partnerships that goes both ways. Our chef collaborators include: Lanshu Chen of Le Côté LM, Taiwan, known for her elegant French cuisine infused with her Taiwanese roots; Paul Pairet, who offers playful, inventive cuisine at his restaurants, Mr. & Mrs. Bund, and Ultraviolet, Shanghai; Daniel Calvert, executive chef of SÉZANNE, who led the restaurant to get the honor of 2 Michelin stars in only two years; and Umberto Bombana of 8 ½ Otto e Mezzo, who has been hailed “The King of White Truffles”, delighting the gourmet palate of diners with his unique culinary creations.

Other collaborators include Julien Royer, an award-winning, modern French chef and co-owner of the 3-Michelin-starred Odette; Hideaki Sato, a Japanese 3-Michelin-starred chef in Hong Kong who applies the philosophy of Japanese cuisine to French cooking; Pino Lavarra, a 2-Michelin-starred Italian chef; and Marc Meneau, the legendary Michelin-starred chef who innovates with French cuisine in his restaurant L’Espérance.
